<b>Activity Date(s):</b>	<b>30May -5 June 2023</b>	<b>No. of Participants:</b>	<b>162</b>

#### **Brief Description of the Activity:**

We all are aware that World Environment Day is the biggest awareness campaign launched by the United Nations in the early 70s which is celebrated across the world on June 5 every year to cherish the nature that's around us. This year marks the 50th anniversary of World Environment Day with the focused on **BEATING PLASTIC POLLUTION** and with spotlight on solutions to plastic pollution. To join hands in this campaign Eco club "**Vasudha**" of GRDCE organized celebration of Environment Day 2023 with cooperation and coordination of all members of GRDCE family as a collective action to create the transformative environmental change we need, so we can advance to attainment of SDGs. The plan of action included numerous activities as an effort to *Beat Plastic Pollution Globally and to achieve objectives of G20 Indian Presidency---Vasudaiva Kutumbakam.*

#### **Activities included:**

- Conduction of Workshop on *Creation of Eco friendly Products-Alternatives to Plastics in your Life.*
- Virtual Presentation on the: *Impact of hazardous use and disposal of Plastics in environment and human life.*
- Virtual Presentation on the: *Solutions to Beat Plastic Pollution*
- Pledge **on Life style for the Environment.**

Workshop on creation of Eco friendly Products was taken by expertise from "Fevicryl organization" Ms. Preeti Gupta, she demonstrated **Creation of Planters** with help of waste plastic containers and bottles which are often used in daily chores. Students actively participated and learned a new technique of reusing plastic. On the next day through the mode of virtual media audience was made aware and sensitise about *hazardous use and disposal of Plastics in environment and human life.*

Through this a need for taking immediate actions as a call from nature was aroused. Hence on the other day initiatives taken at individual, national and international level by means policies and laws for protection of environment; **Beat Plastic Pollution** were discussed through virtual mode of presentation. At end with eye opening session of activities on 5<sup>th</sup> June everyone took **Life Environment Pledge** available on Environment website and link to generate E certificate was also shared with all. Planning, Organizing and Execution of World Environment day by Eco club Vasudha was highly appreciated and recognized by the Head of Institute **Dr. Neeraj Priya** as a noteworthy step by GRDCE family towards attainment of safe and peaceful sustainable environment .

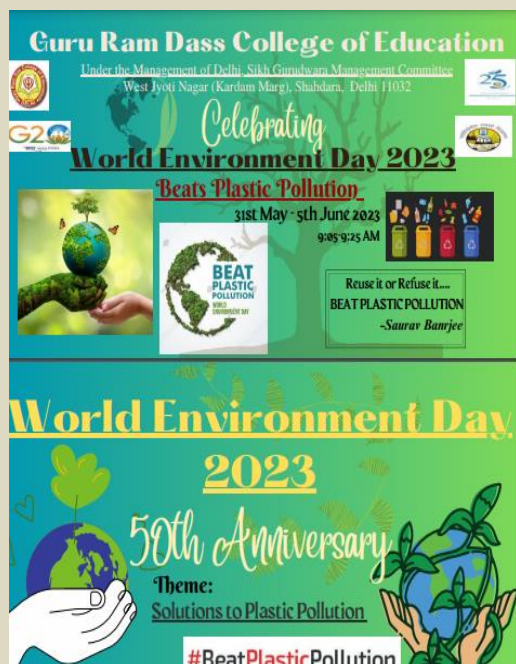

**Coordinator: Dr. Neeraj Priya, Principal GRDCE**

**Dr.Arti Bhatnagar and Ms. Neha Madan, Eco Club Teacher Coordinators**
